A QUERY LANGUAGE FOR YOUR API

GraphQL is a query language created in 2012.

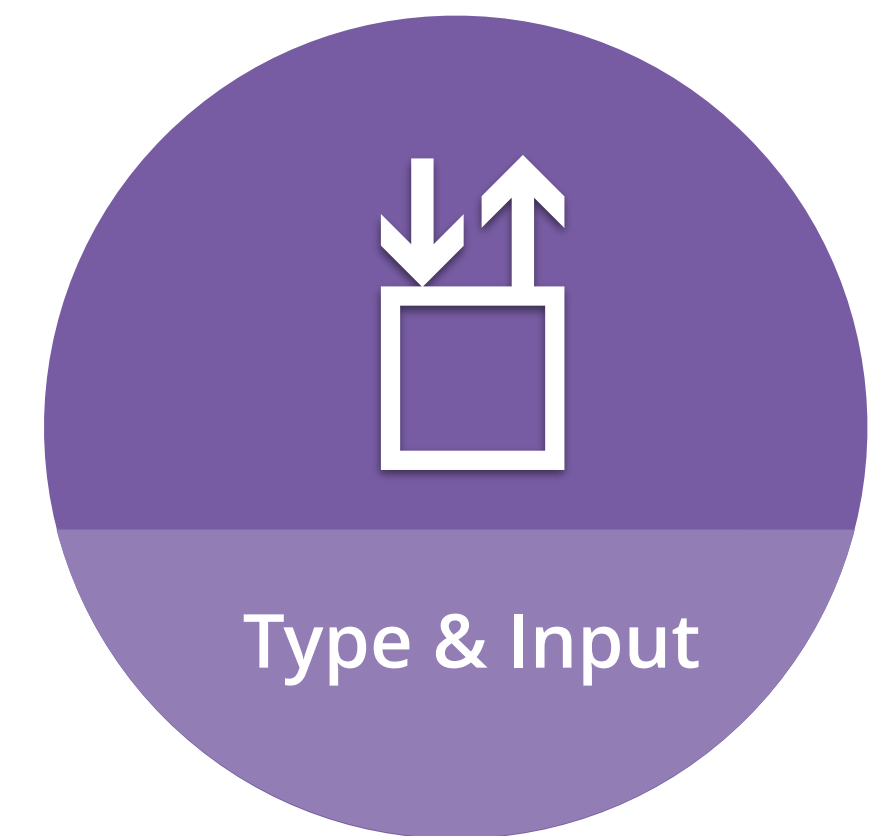

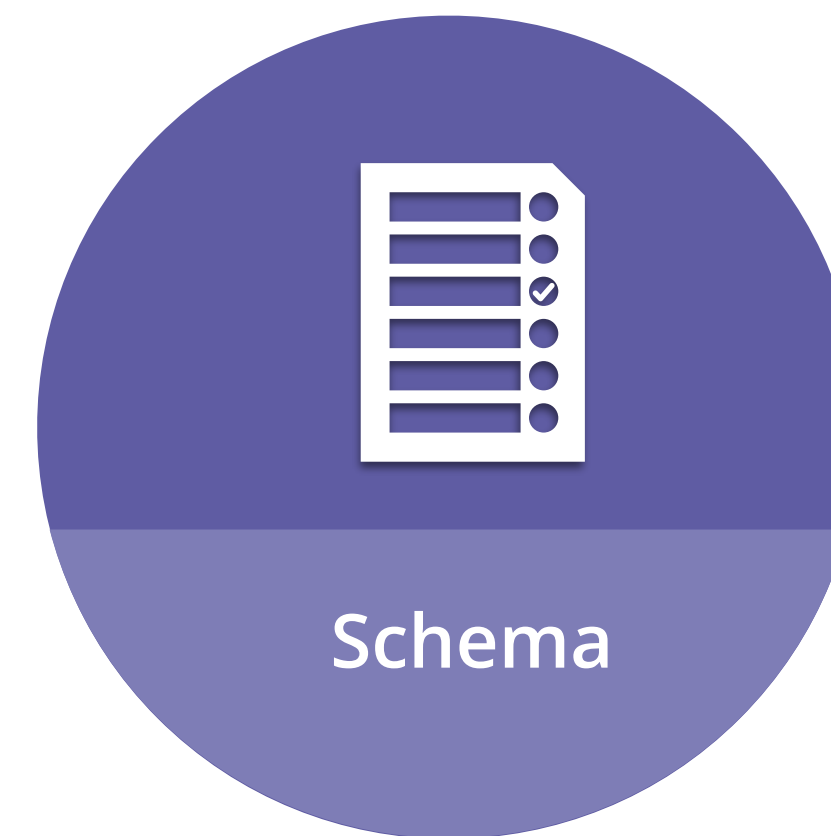

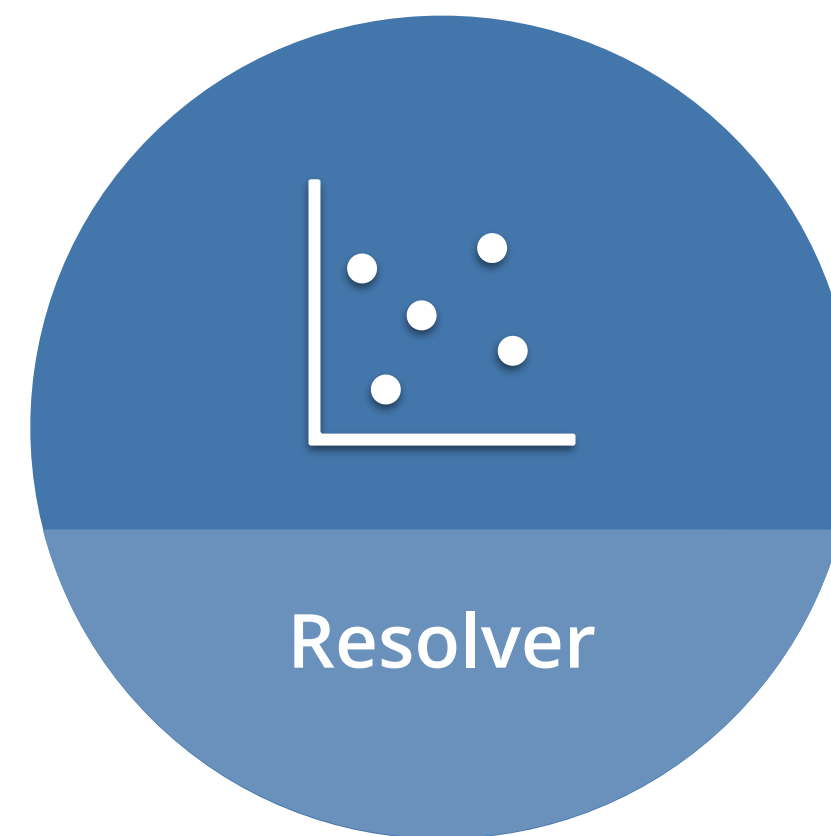

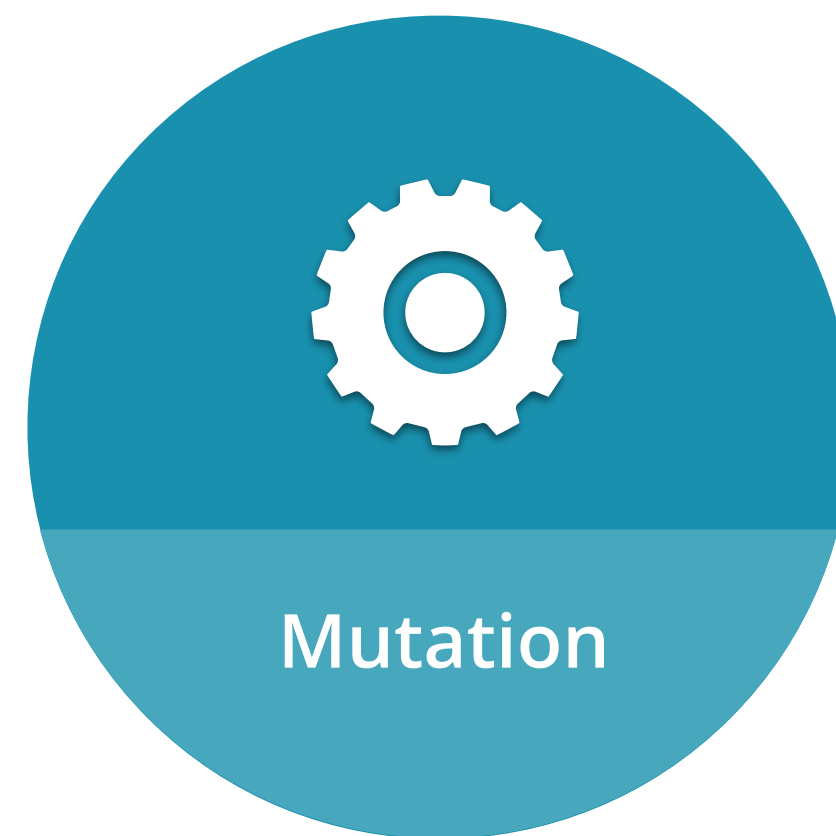

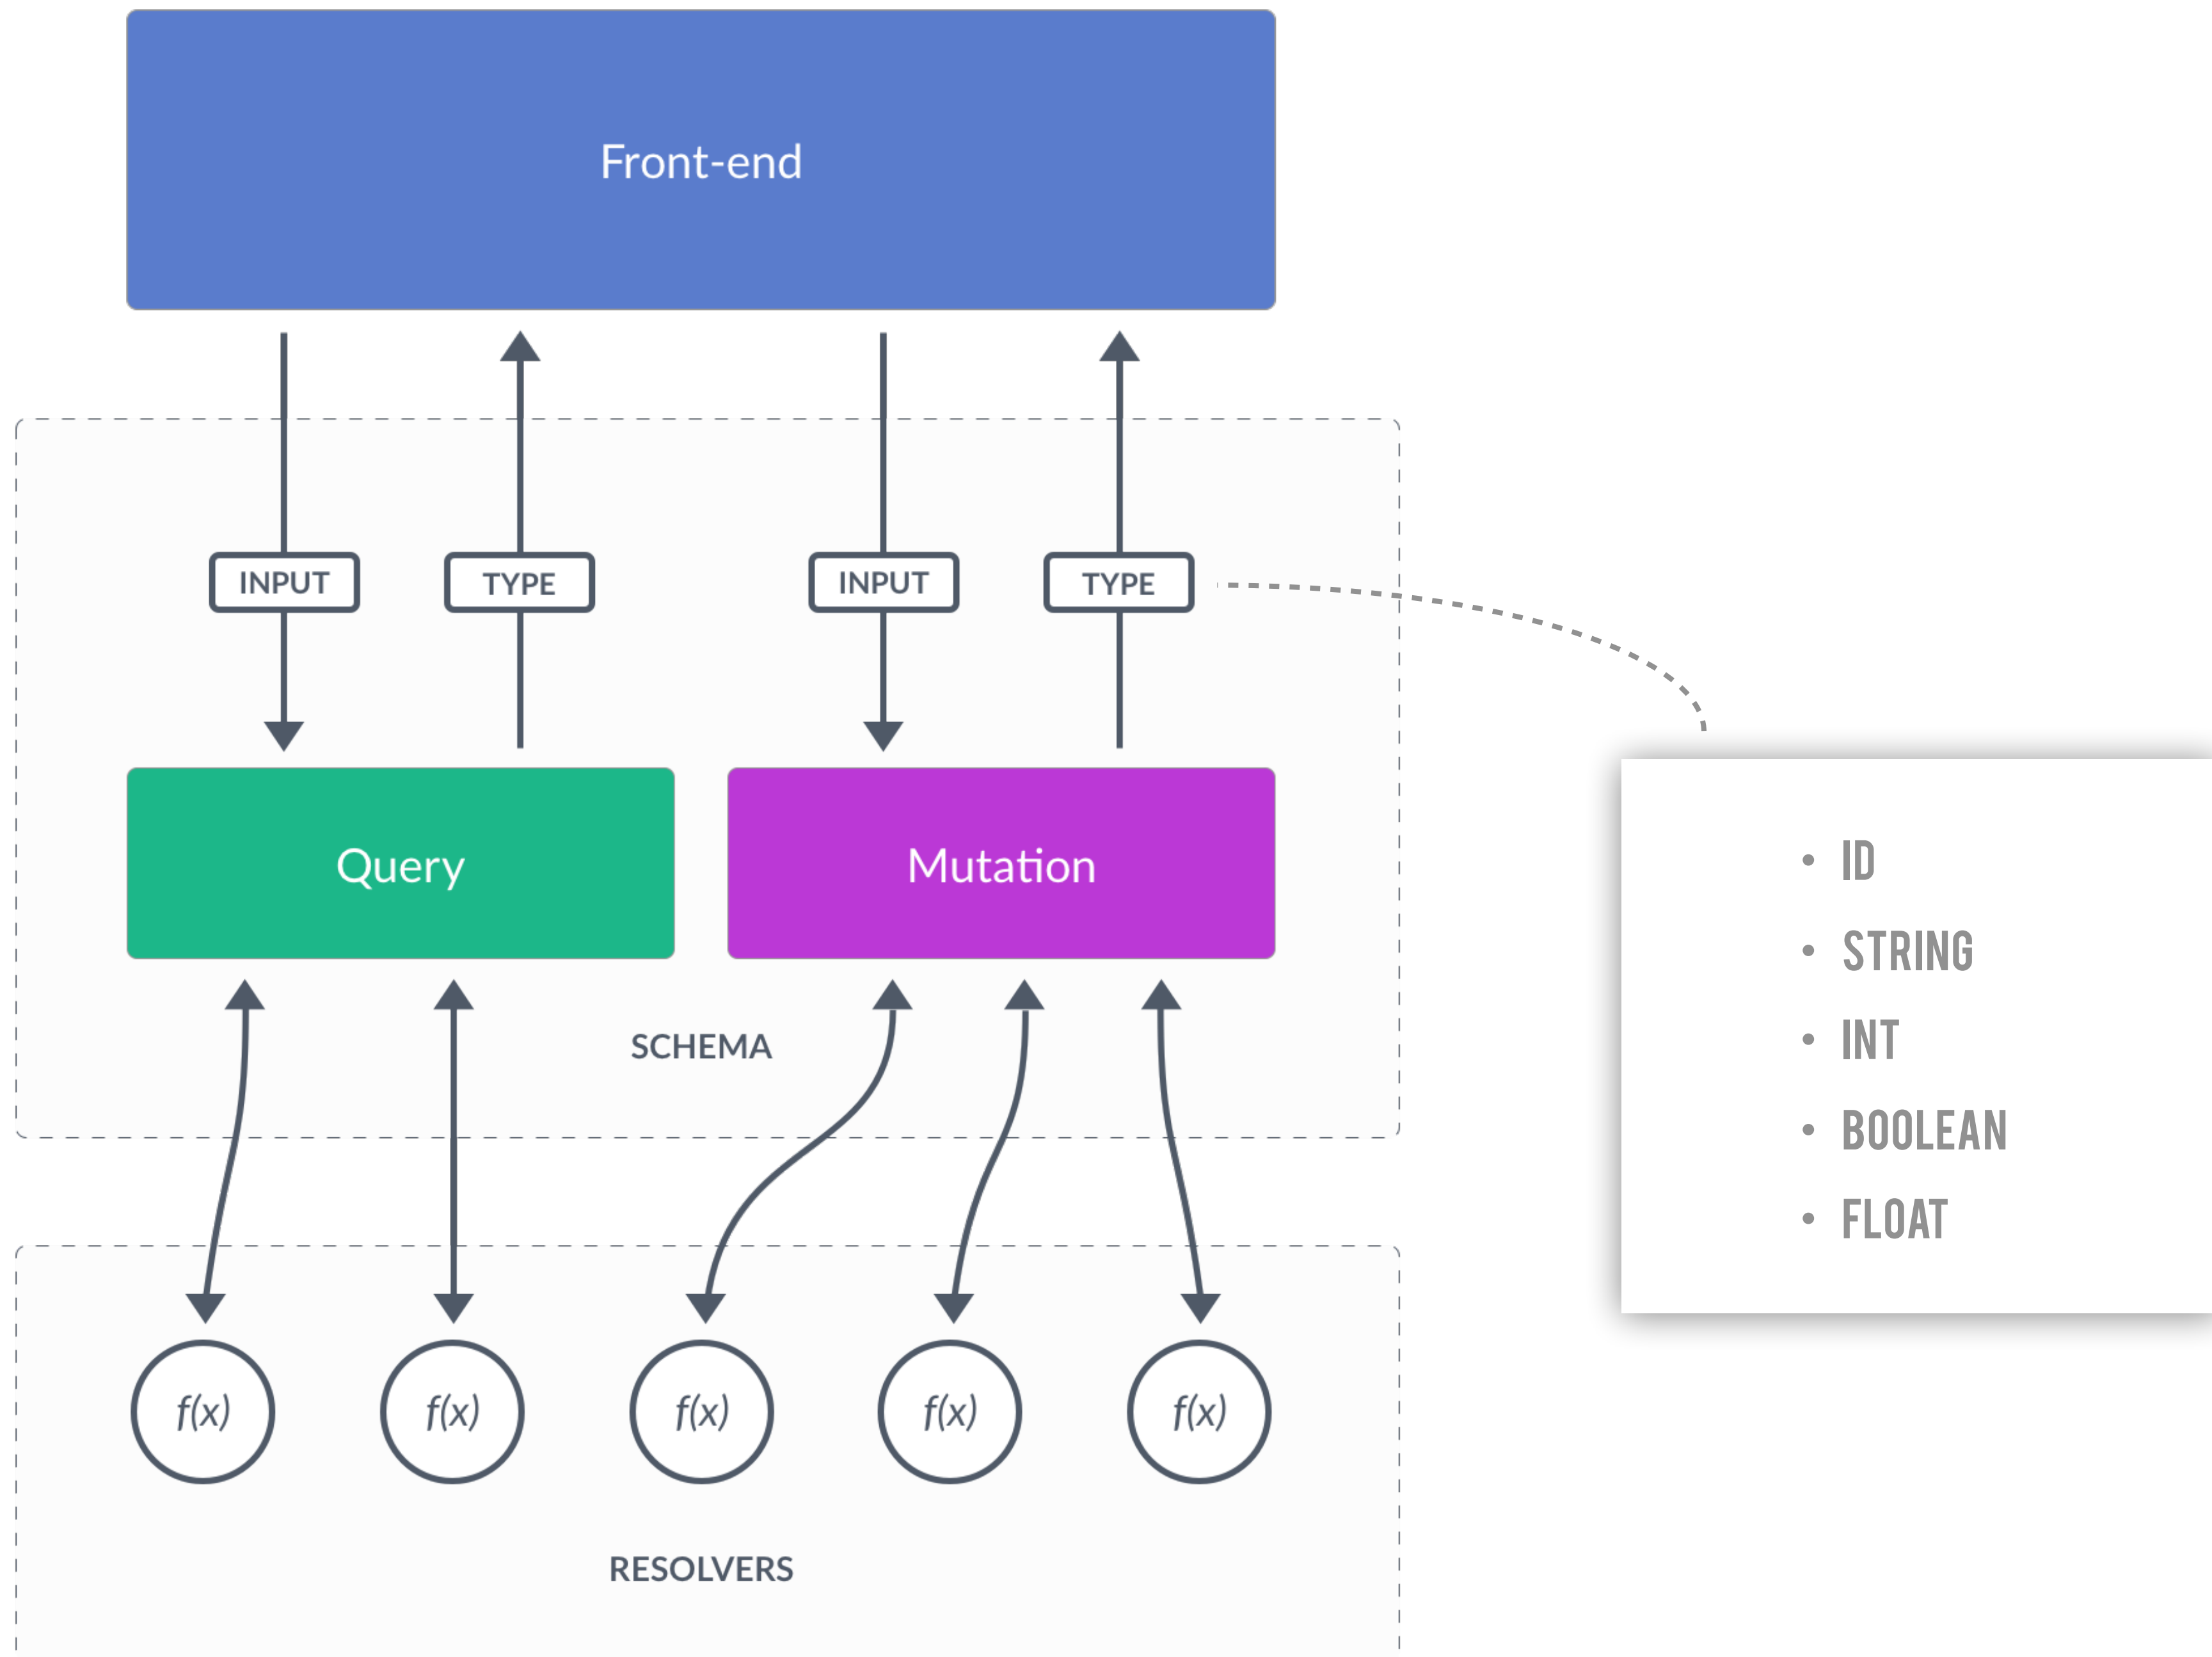

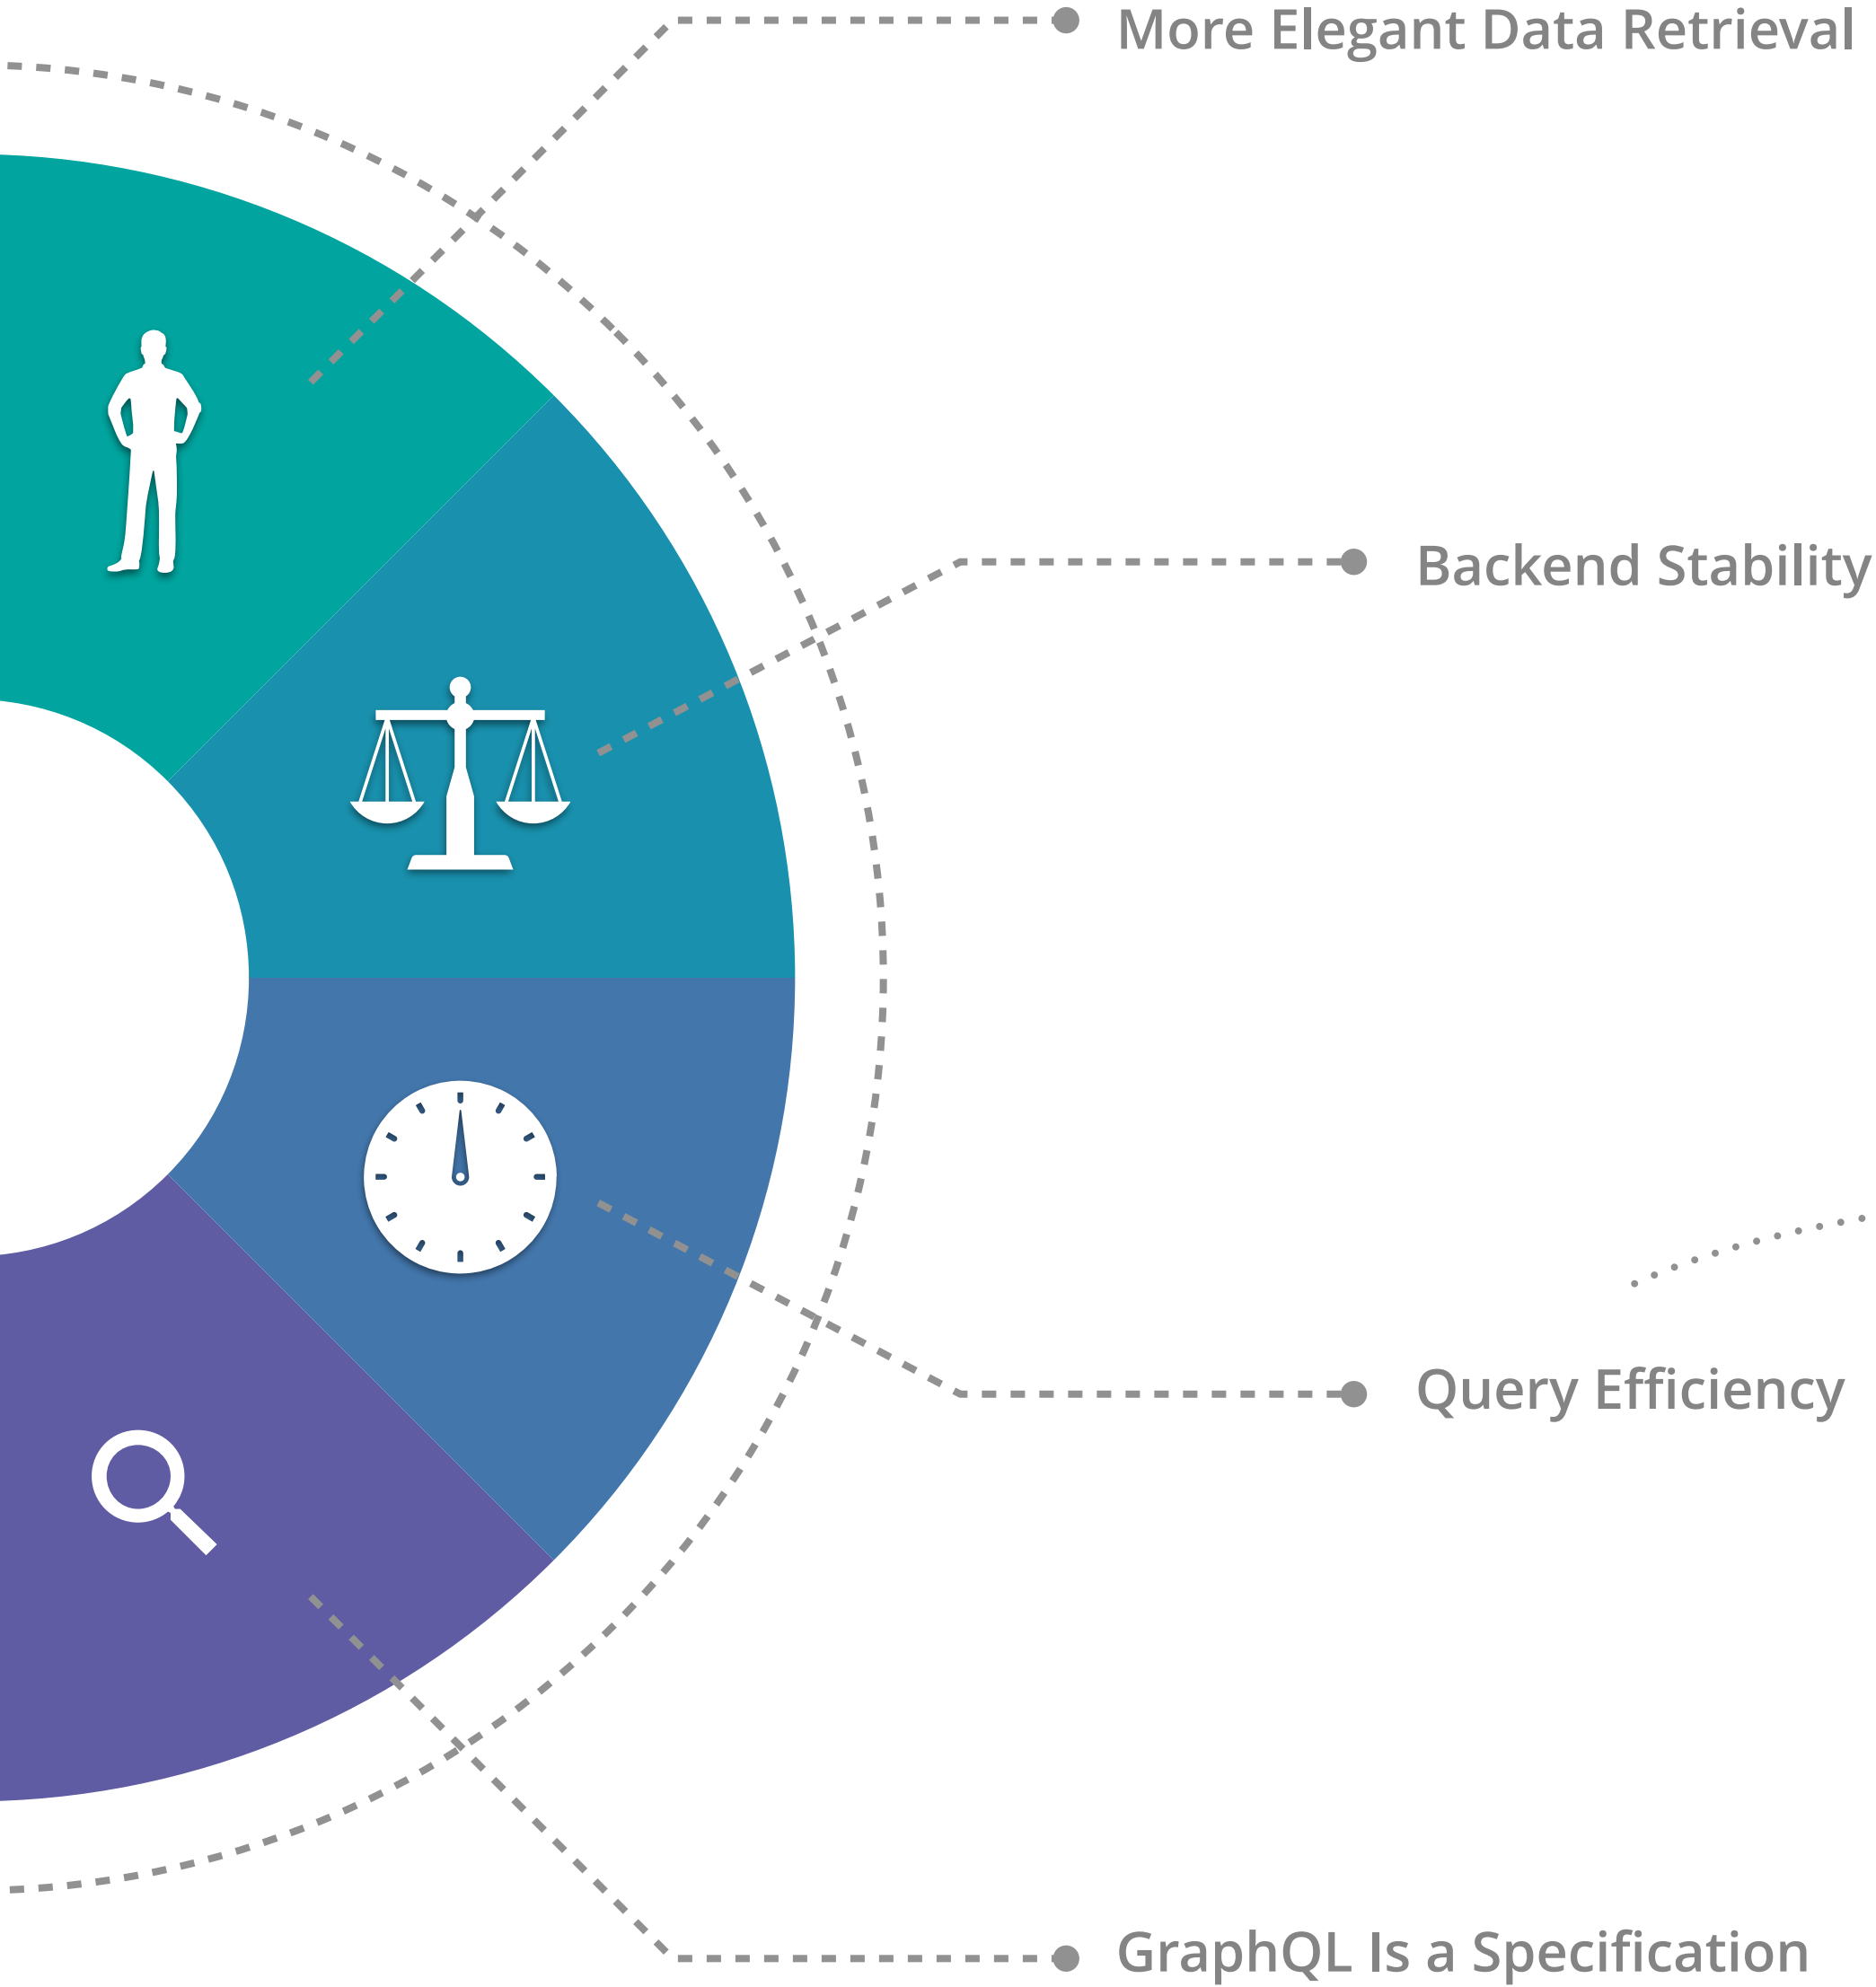

GraphQL **NO** es una base de datos

ARCHITECTURE

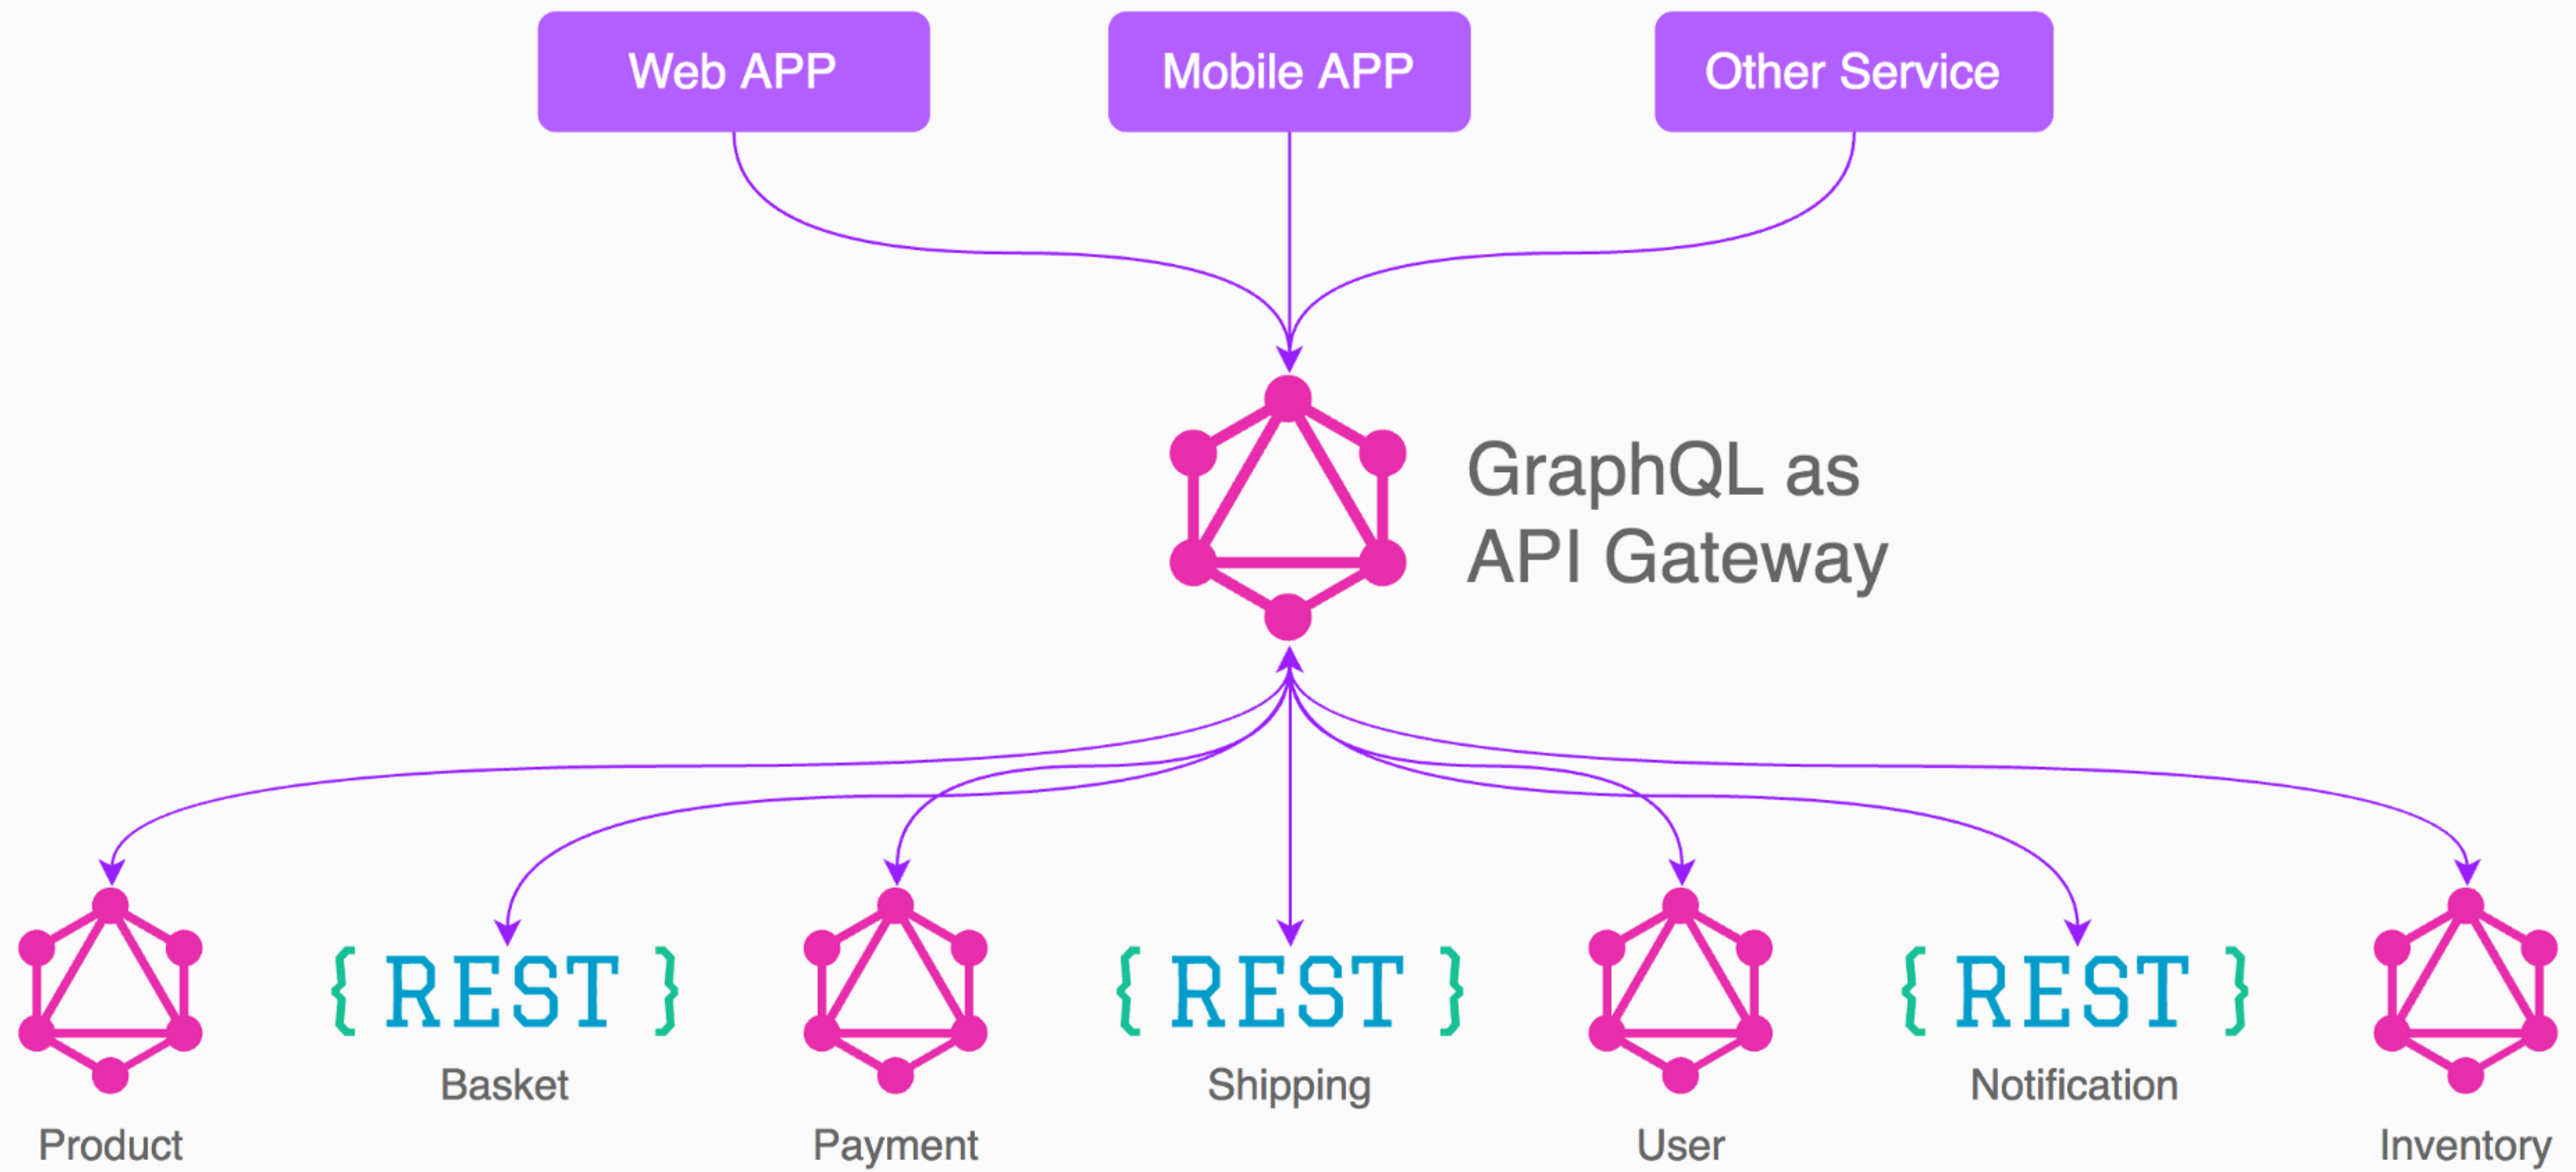

GRAPHQL CARES NOTHING ABOUT HOW YOU STORE YOUR
DATA OR HOW YOUR FRONTEND WORKS.

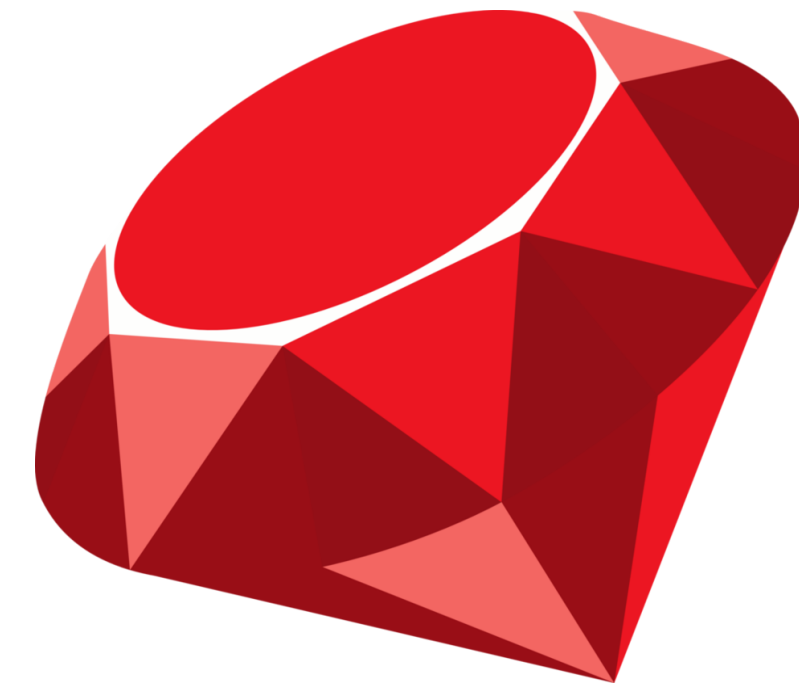

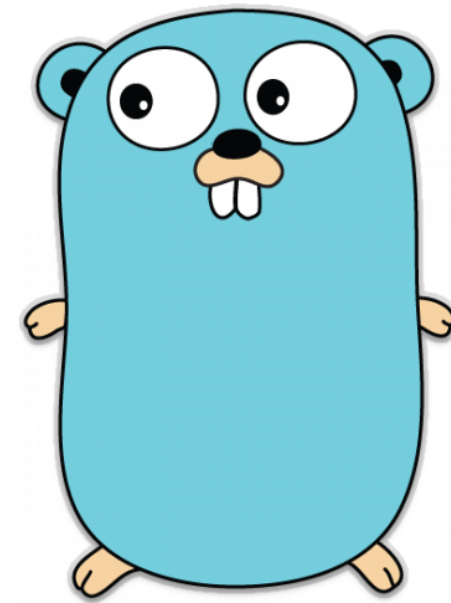

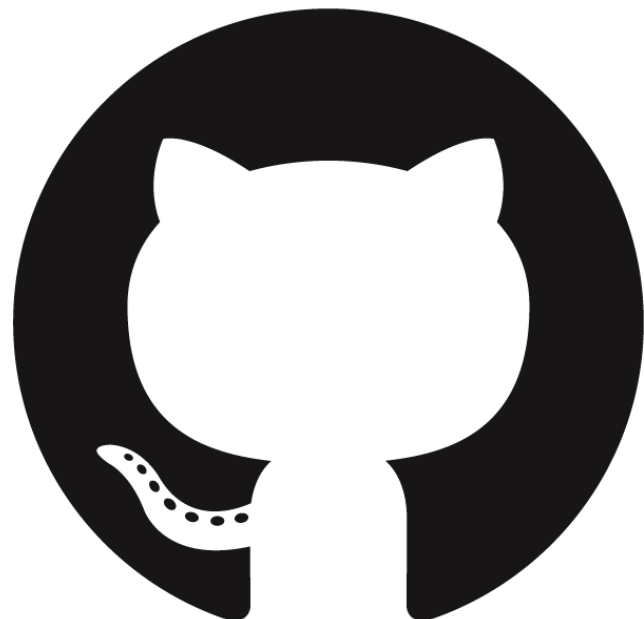

```
{  
  latestPost {  
    _id,  
    title,  
    content,  
    author {  
      name  
    },  
    comments {  
      content,  
      author {  
        name  
      }  
    }  
  }  
}
```

SERVER LIBRARIES

WHO'S USING GRAPHQL?

intuit®

Y CASI 100 MÁS.
